

COAST Bordeaux 2017 - FORUM - Salle des Actes

	Tuesday Nov 7, 2017	Wednesday Nov 8, 2017	Thursday Nov 9, 2017	Friday Nov 10, 2017
9:00 - 9:15		Dr D. Chevillon - The quality of coastal waters in Nouvelle-Aquitaine	Prof. Tetsuo Yanagi - Development of Coastal Management Method to Realize the Sustainable Coastal Sea	synthesis round table moderated by Anne-Sophie Novel, journalist. Open to the general public (translation english/french/japanese)
9:15 - 9:30		Discussion Session 1	Prof. Teruhisa Komatsu & Col - Modern Satoumi approach to an open ria-type bay, Shizugawa bay, Sanriku coast, Japan after the hit by the huge tsunami in 2011 for realizing sustainable environment and prosperous aquaculture	
9:30 - 9:45		Dr N. Susperreguy - Marine Pelagic Mucilage on the French Basque Coast area: causes, consequences and trends.		
9:45 - 10:00				
10:00 - 10:15		Coffee-break and posters	Coffee-break and posters	
10:15 - 10:30		Drs Takahashi Hideyuki and Y. Le Roy - Comparative study of the work environments of fishermen between France and Japan: comparisons of statistics and some fishing boat images	Dr B. Tramier - Une marée noire en Méditerranée: Risques, réponses, impacts.	
10:30 - 10:45				
10:45 - 11:00		Drs F. Lagarde and M. Hori & Col - Integrated Ecosystem management for exploited coastal ecosystem dynamics under oligotrophication	Prof. J.C. Dauvin - Fishing on foot on the west coast of Cotentin: a fishery issue	
11:00 - 11:15				
11:15 - 11:30		Drs Y. Koike and T. Seiki - The innovation and adaptation of culture techniques on the recent oyster culture in Japan	Discussion Session 3	
11:30 - 11:45			Mrs J. Rabic et D. Gornet - Le repeuplement en France, une mesure d'urgence pour sauver l'anguille européenne	
11:45 - 12:00				
12:00 - 12:15	Registration and Lunch	Lunch	Lunch	
12:15 - 12:30				
12:30 - 12:45				
12:45 - 13:00				
13:00 - 13:15				
13:15 - 13:30				
13:30 - 13:45				
13:45 - 14:00				
14:00 - 14:15	Opening Session in AGORA: Introductory lectures by representatives (Translation French/English/Japanese) Manuel Tunon de Lara , President of Bordeaux University Gérard Blanchard , vice-President of Region Nlle Aquitaine	Mr Masanori Hakateyama - Restoration support for the Tsunami-hit oyster farming at the Karakuwa district, Miyagi Japan, contributing to rational fishing ground management	Prof. E. Feunteun & Col - The leptocephalus larvae/marine snow food-web theory: pros, cons and uncertainties after 20 years of investigations in the Indo-Pacific.	
14:15 - 14:30	Hubert Ceccaldi-Teruhisa Komatsu , presidents of SFJO	Mr Takehiro Tanaka - Reviving the Seto Inland Sea, Japan: coastal environment restoration and ICM (Integrated Coastal Management) implementation in Bizen City	Mr Omori - Present situation from eel aquaculture to processing eel in Japan	
14:30 - 14:45	Pascale Delecluse , directrice CNRS/INSU	Discussion Session 2	Mr B. Wendling & Col - French Bluefin Tuna fisheries in the Mediterranean Sea : Lessons from the Past	
14:45 - 15:00	François Jacq , PDG of IFREMER Marie-Hélène Tusseau Vuillemin , French Research Ministry/DGRI			
15:00 - 15:15	Keynote 1 Hervé Le Treut : Climatic Science after COP21: a new responsibility ?	Prof. C. Mariojouis and Dr S. Girard - Regional scheme for the development of marine aquaculture (SRDAM) and access to new farming site on French Mediterranean coast	Dr F. Poisson - How to reduce the impacts of the French Mediterranean longline fisheries on the megafauna: Preliminary results of the SELPAL/RéPAST projects	
15:15 - 15:30			Mr B. Cazalet - Heterogeneous support for valorization of fishing products: a comparative approach between the regional self-label Golion and the international label MSC	
15:30 - 15:45				
15:45 - 16:00	Coffee-break	Coffee-break	Coffee-break and posters	
16:00 - 16:15	Opening Speech in Salle des Actes by prof. H.-J. Ceccaldi Future ways of cooperation between the 2 SFJOs	Dr Nozomi Aoki - Japanese-types of MPAs and self-organized MPAs by local communities in Japan	Mr Hiroyasu Yamauchi - Kesennuma Bay in Japan: Nature and Culture	
16:15 - 16:30				
16:30 - 16:45	Dr Kenji Okoshi - The effects of land subsidence and uplift on intertidal mollusks following the 2011 great eastern Japan Earthquake	Dr Masaaki Sato & Col - Valuation of ecosystem services and identification of conservation and fisheries management activities protecting thoses services in Shisei lagoon, Southwest Japan	Mme C. Bret - Baie de Kesennuma / Bassin d'Arcachon : Déterminations et perspectives similaires, cultures différentes	
16:45 - 17:00				
17:00 - 17:15	Dr C. Lummert - Marea: across border research project to improve coastal risks management in the Basque country	Drs M. Roth and K. Leleu - French marine nature parks: an innovative tool for integrated management of maritime space	Mr B. Biteau - Soutien au développement durable de la pêche et de l'aquaculture en Nouvelle-Aquitaine	
17:15 - 17:30				
17:30 - 17:45	Drs T. Bulteau and C. Mallet - Characterisation and impacts of the 2013-2014 winter storm events on the Aquitaine coast (SW France).		Discussion Session 4	
17:45 - 18:00				
20:30 - 22:30		Gilles Bœuf Le rôle du littoral dans l'évolution de la vie Conference-debate open to both COAST participants and the general public (in french, at the AGORA auditorium)	Gala dinner (Bordeaux Center) Mercure-Cité Mondiale - tram line B, station CAPC Musée d'Art Contemporain	
	Session 1	Protection of coastlines, estuarine ecosystems, coastline erosion under the pressures of climate change and natural and anthropogenic factors.		
	Session 2	Impact of different uses on coastal and estuarine marine resources and on their exploitation in a context of global change .		
	Session 3	Marine spatial planning and inter-stakeholder dialogue to safeguard the maintenance and sustainability of traditional activities such as fishing and shellfish farming and the quality of coastal and estuarine ecosystems.		

Session 4

How to rely on traditional management methods and professional know-how to co-construct a management approach base on a concerted and participatory approach and allowing the implementation of an heritage approach associating nature and culture.
